

## Zero Waste Events

Plan your zero waste event with Bay Area Recycling for Charities. By offering a wide range of products and services, we strive to make every event a zero waste event.

### Clear Stream Bins

These bins give a clean modern look for sorting of recycling & compost.

- Paper Bin ( for clean paper and cardboard)
- Plastic, Glass, Metal Bin ( for clean plastic, glass and metal )
- Compostable ( any organic material, leftover food, soiled paper, plate and napkins, meat and bones also accepted )
- Garbage or Trash Bin ( if necessary )

### Compostable Serveware

We offer a wide range of vegetable bases compostable products.

- Plates ( plant fiber based )
- Forks ( corn based )
- Knives ( corn based )
- Napkins
- Cold & Hot Cups ( corn and plant fiber based )

Cold cups can be customized for your event

### Services

Focus on the event happenings while BARC takes care of the waste

- Set up bins in your desired location
- Service bins during the event to prevent overflow and sort out waste on site
- Clean up after event
- Haul away all recycling, compost and trash
